1. Organizations of National Academy of sciences of Ukraine

Western scientific center

4, Mateyko str.,
Lviv, 79000
Chairman
Nazarchuk Zinoviy
Tel.: +38 (032) 261 07 19
Tel./fax: +38 (032) 297 07 74
www.znc.com.ua
zncnan@mail.lviv.ua
znc@ukrpost.ua

Organization, leadthrough and co-ordination of scientific researches. Determination of scientific problems in industry of fundamental researches from basic directions natural, humanitarian and technical sciences. Concentrating of forces and money is on priority for an area scientific researches, training of scientific personnels.

Pidstryhach Institute for Applied Problems of Mechanics and Mathematics

3-b, Naukova Str.,
Lviv, 79060
Director
Kushnir Roman
Tel.: +38 (032) 263 83 77
Fax: +38 (032) 263 62 70
www.iapmm.lviv.ua
adm@IAPMM.Lviv.UA

Research of fundamental and applied problems of mechanics of deforming of solid.

A study of processes of origin, co-operations and distribution of the fields of different physical nature, is in relation to the tasks of mechanics, geophysics and new technique. Construction of theoretical models of deforming of solids with extended physic-mechanical properties. Development of theoretical and applied problems of mathematics in relation to the nonclassical tasks of mechanics.

Karpenko Physico-Mechanical Institute of the NAS of Ukraine

5, Naukova str.
Lviv, 79601
Director
Panasyuk Volodymyr
Tel.: +38 (032) 263 30 88

Fax: +38 (032) 264 94 27

www.ipm.lviv.ua

webmaster@ipm.lviv.ua

Research of deformations and destruction of constructions of materials during the action of the mechanical loadings and workings environments, in particular corrosive-aggressive. Creation of theories of these phenomena and technologies of increase of robustness machines, defence of them, from corrosive-mechanical destruction. Research of properties of coarse-fine of physics of the fields and signals, development of theory and methods of their analysis, forming of scientific establishments. Creation of high-efficiency informatively instrumentation systems for environmental research.

The institute of geology and geochemistry of combustible minerals NAS Ukraine and NAK «Naftogaz of Ukraine»

3-a, Naukova str.

Lviv, 79060

Pavlyuk Myroslav

Tel.: +38 (032) 263 25 41

Fax: +38 (032) 263 22 09

www.iggcm.org.ua

igggk@ah.ipm.lviv.ua

A complex study of terms of naftogazoutvorenniya and forming of deposits of oil and gas, exposure of concrete searching criteria, is for the concrete regions of Ukraine. Development of problems of education and placing of hard combustible minerals determination of directions them the complex use in Ukraine. Creation of scientific bases of modern geotechnologys. An exception of fuel and energy resources is from the bowels of the earth of earth taking into account the questions of guard of environment.

Institute for Condensed Matter Physics

National Academy of Science of Ukraine

1 Svientsitskii str,

Lviv, 79011

Director

Mryglod Ihor

Tel/Fax: +38 (032) 276 11 58

+38 (032) 276 19 78

www.icmp.lviv.ua

icmp@icmp.lviv.ua

Development of analytical methods of statistical physics, research of phase transitions, rivnovazhnikh and non-equilibrium properties of liquids and amorphous systems. Research of row of problems in the theory of solid, to physics of metals alloys of theory of superconductivity. Computer design of physical descriptions of the condensed systems.

Institute of ecology of Carpathians

4, Kozelnytskogo str,
Lviv, 79000
Kozlovskiy Mykola
Tel./Fax: +38 (032) 270 74 30
+38 (032) 272-67-31
www.ecoinst.lviv.ua
ecoinst@mail.lviv.ua

Complex research of ekosistem of Carpathians, ground of methods of adjusting of their structure and functional connections, is with the purpose of optimization of useful effect, increase of the productivity, rational use and guard. Study of sobcelyularnikh and molecular mechanisms of ontogenesis and morphological changeability of populyacii of plants in connection with the questions of kind and vidoutvorenniya.

Institute of Cell Biology

14/16 Drahomanov str,
Lviv, 79005
Director
Sibirny Andriy
Tel.: +38 (032) 261 21 08
Fax: +38 (032) 261 21 48
www.cellbiol.lviv.ua
institut@cellbiol.lviv.ua

Scientific researches are in industry of biochemistry, bioorganichnoy chemistry, molecular cellular biology. A study of molecular mechanisms of adjusting of exchange of matters is at cellular level. Creation of new biochemical preparations, reagents, forage additions and veterinary preparations.

Institute of regional researches

4. Kozelnytskogo str
Lviv, 79026
Kravciv Vasyl
Tel.: +38 (032) 270 70 37
+38 (032) 270 71 68
www.irr.org.ua
irr@mail.lviv.ua

Fundamental and applied researches are conducted in an institute. Problems of forming of regional policy. Control system and ekologo-ekonomichnogo adjusting of development of regions. Rational use a production, labour, naturally resource and intellectual person. to potential of regions Market infrastructure and enterprise Foreign economic activity and transfrontal collaboration Regional statistics.

**Bureau of physic-chemistry and technology of combustible minerals
of Institute of physical chemistry of Pisarzhevsky**

3-a Naukova str
Lviv, 79053
Midyana Halyna
Tel.: +38 (032) 263 51 74

Fundamental researches in industry of theory of chemical structure and reactionary ability of molecules and radikaliv. Microbiological synthesis of BIO-PAR and biopolimers, biotechnological ecology.

Carpatian branch of Subbonite Institute of Geophysics

3-b Naukova str.,
Lviv, 79060
Director
Maksymchuk Valentyn
Tel./Fax: +38 (032) 264 85 63
www.cb-igph.lviv.ua
carp@cb-igph.lviv.ua

Development of complex of geophysical methods A study of structure and dynamics of sial of region of Carpathians is in relation to the problems of prognostication of the geodinamichnikh phenomena and beds of minerals Development of financial bases, methods and hardwares of automation of processes of model and laboratory supervisions, methods of system treatment and complex thematic interpretation, teoretiko-experimental information.

**Lviv Centre of Institute of Space Reasearch
National Academy of Sciences of Ukraine
National Space Agency of Ukraine**

5-a Naukova str,
Lviv, 79000
Soroka Sylvestr
Tel.: +38 (032) 263 91 63
+38 (032) 254 02 25
www.isr.lviv.ua
vakor@isr.lviv.ua

Development of magnetometers of the various systems for geophysics and industry, technical cybernetics and non-destructive control, construction durability and krogenne materialoznavstvo

Research institute of aerospace information and ecological monitoring

19, Kyrylova str,
Lviv, 79044
Komisarchuk Anatoli
Tel./Fax: +38 (032) 274 11 92

Implementation of functions of regional center of treatment of aerospace information, ecological monitoring, ecological examination, is in the western areas of Ukraine.

Vasyl Stefanyk Lviv National Scientific Library of Ukraine

2 Stefanyka str,
Lviv, 79000
Myroslav Romanuk
Tel.: +38 (032) 274 43 72
Fax: +38 (032) 272 57 20
www.lsl.lviv.ua
library@lsl.lviv.ua

Center of mathematical design

15. D. Dudaeva str,
79000 Lviv
Chaplya Yevgen
Tel.: +38 (032) 274 11 68
+38 (032) 261 18 63
dziu@cmm.lviv.ua

Research and development of modern directions and problems of mathematical design. Development of methods of calculable experiment and optimization in relation to the problems of creation new standards of technique and technology. Development new forms and methods of mathematical education, preparation and in-plant training scientific personnel, international projects and programs oriented to realization. Creation of new information technologies is the International exchange in industry of mathematical design and calculable experiment.

2. Branch institutions

2.1. Information support

Centre for Scientific Technical and Economic Information

57 Tchernovil ave,
79058 Lviv
Yavorskiy Mykhajlo
Tel./Fax: +38 (032) 252 27 41
+38 (032) 252 32 00
www.cstei.lviv.ua
yavor@cstei.lviv.ua

A center offers to the users high-quality certificate informative service, business-consulting, prepares informaciyno-analitichni reviews, conducts patent-informative and sociological researches, gives consultation on questions defence and commercialization of intellectual property, creates regional databases (DB). Activity of center is directed, above all things, on the study of demand, on this basis, satisfaction of necessities of enterprises organizations of all patterns of ownership, and also physical persons, in scientific and technical and economic information, on research of problems forming of approaches in relation to functioning of regional informatively innovative structures in the conditions of economic and political transformations to Ukraine.

The Ukrainian institute of planning computer systems of treatment information in consumer co-operation of «Ukoopinformproekt»

36 Rynok sq,
79008 Lviv
Gerasimiv Mykhajlo
Tel.: +38 (032) 272 06 52

Research, planning, introduction of the computer systems treatment information. Development of bases of conceptions and a particular branch complex programs of creation computer systems treatment information in the system of consumer co-operation and other industries of economy.

2.2. Production of tools

State research institute of the applied acoustics

6 Plugova str,
79059 Lviv
Pan'kevich Orest
Tel.: +38 (032) 293 6181

Planning, development systems of acceptance, transmission and treatment of acoustic information. Acoustic ecology, development of the systems and built on to con-

trol after an ecological situation in agro and food industry and systems of automation and management technological processes. The use an ultrasound in different industries. Development systems of diagnostics and electronic blocks and devices is for avto industry. Wind energy equipment.

Lviv Radio Engineering Research Institute

7 Naukova str,
Lviv, 79060
Lobur Mykhajlo
Tel.: + 38 (032) 264 58 44
+ 38 (032) 263 25 50
Fax: +38 (032) 263 11 63
www.lreri.com.ua
marketing@lreri.lviv.ua

Fundamental science research development in industry of radio electronics.

Development of radio electronic devices. A study of access paths into the modern systems of mass information

Scientific Research Institute of domestic radio electronic devices

7a, Naukova str.
Lviv 79060
Lomakovych Vitalij
Tel.: +38 (032) 244 46 04

Scientific experimental and project-designer works on a radio electronic domestic apparatus and domestic electric appliances.

Scientific Research Institute of fax- telephone apparatus

1 Smal'-Stockogo str.
Lviv 79015
Melnyk Yuriy
Tel.: +38 050 31 72 333

Development and pre-production models of apparatus of voice-frequency, facsimile apparatus, photo-composing devices, difficult domestic devices

Scientific Research Institute «Systema»

6 Krivonosa str,
Lviv 79008
Parakuda Vasyl
Tel.: +38 (032) 239 92 00
+38 (032) 272 89 39
Fax: +38 (032) 235 84 49

office@dndi-systema.lviv.ua

www.dndi-systema.lviv.ua

Scientific research, in industry of metrology of difficult complexes, creation system of the atmospheric monitoring, testing and certification of measurings and calculable complexes

Scientific Research Institute «REMA» JSC

31 Zavodska str

Lviv 79019

General Director

Kocovskiy Orest

Tel.: +38 (032) 252 34 65

Research works on creation of new radio electronic medical devices and vehicles for diagnostics .

«Tekon-Elektron»

12 Storozhenko str,

Lviv 79601

General director

Gladkyi Mykhajlo

Ph./Fax: +38 (032) 233 72 02

Scientific research and planning of the special TV devices

Institute of information and management

12 Storozhenko str,

Lviv 79601

Poronovich Volodymyr

Tel./Fax: +38 (032) 233 71 66

ndiiu@org.Lviv.net

Scientific research works of development and introduction automated system of management enterprise

Scientific Research Company «Carat»

202 Stryiska str,

Lviv 79031

General director

Vakiv Mykola

Tel./Fax: +38 (032) 263 10 65

www.electron.lviv.ua

vakiv@ipm.lviv.ua

Development of materials and devices for an electronic devices. Organization of production of pre- production models.

Science and Production Company «Termoprylad»

3 Naukova str,
Lviv 79053
General director
Huk Oleksandr
Tel./Fax: +38 (032) 238 98 21
www.thermo.lviv.ua
thermo@mail.lviv.ua
thermo@lviv.net

Development and issue of systems and facilities of measuring, control and adjusting of temperature, by electric methods.

Special designer bureau of electromechanics systems

2 F. Kolessy str,
Lviv 79000
Kovalenko Anatoliy
Tel./Fax: +38 (032) 272 29 62
+38 (032) 258 24 36
www.tenzokon.narod.ru
ndl4@polynet.lviv.ua

Scientific research and designer works on creation of the special electric machines for astrophysical objects (telescopes).

Institute of physical optics

23 Dragomanova str,
Lviv 79005
Vlokh Orest
Tel./Fax: +38 (032) 261 14 83
www.ifo.lviv.ua
vlokhifo@ifo.lviv.ua
Optics of uncommensurable structures, biooptics.

Scientific production company «Electron-T»

12Kvitova str,
Lviv 79019
Cigil'man Genadiy
Tel./Fax: +38 (032) 252 00 77
www.electron-t.com

ten@utel.net.ua
electron_t@svitonline.com
Production of domestic and industrial elektro-heating elements.

State Enterprise research institution of Cathode-Ray Tubes f «Erotron»

90Antonovicha str,
Lviv 79057
Martinova Vera
Tel./Fax: +38 (032) 238 47 65
+38 (032) 238 47 64
erotron@org.lviv.net

Scientific research. and development of cathode-ray tubes for a systems of electronic indication of navigation system of onboard equipment of high discriminability. Indicator cathode-ray tubes for medicine

Ministry of Education end Science of Ukraine «Project-designer technological bureau»

4 Danilishina str,
Lviv 79000
Paterae Stepan
Tel./Fax: +38 (032) 274 12 68
www.dpktb.com.ua
dpktb@mail.lviv.ua

Scientific research and project-designer works from mechanization and automation of production processes

Special designer bureau of microelectronics and instrument-makings

35 Nischinskogo str,
Lviv , 79014
Matviiv Fedir
Tel./Fax: +38 (032) 276 73 27

Scientific research developments of microelectronics, radiospectrometry. Development of systems of management technological processes.

Lviv State Design Bureau «Topaz»

110 Lichakivs'a str,
Lviv 79014
Tsvokh Volodymyr
Tel./Fax: +38 (032) 275 62 23
topaz@org.lviv.net

Planning end production of technological equipment for jewelry industry.

2.3 Mechanical Engineering

Taras Shevchenko Ukr. Scientific research institute of printing industry

4 Volodymyr Velikogo str,
Lviv, 79026
Ern-Bishkevich Valentyna
Tel.: +38 (032) 263 20 09
Development of materials of technology equipment

Ukrainian State Institute of Bus and Trolleybus building «Ukravtobusoprom»

10 Persenkivka str,
Lviv 79026
Kraynik Lyubomir
Tel.: +38 (032) 264 98 96
Research, development, improvement and introduction of new directions of construction and technology of transport vehicles

Experimental-Designer and Technological institute of protection devices «Aktivavtoprom»

115 Zelena str,
Lviv 79035
Chairman
Shestopalov Volodymyr
Tel.: +38 (032) 270 15 22
Research-and-development equipment is for galvanic paint productions of the special additional slushing defence. Development of equipment is for the necessities of ecology.

Project-designer Institute of Conveyor Building

20 Bazarna str,
Lviv 79007
Chairman of rule
Vorona Oleksandr
Tel: +38 (032) 272 66 50
conveyor@ukr.net
Development project-designer to the document and creation
new technique for implementation freight-unloading and transport frame-clamping works

Project Institute «Dniprospecavtotrans»

3 Petrushevich sq,

Lviv 79005

Porada Ivan

Tel: +38 (032) 276 27 59

Planning of buildings as industrial so dwellings, stations of maintenance, boiler rooms, cleansing buildings

Scientific-production association «Avtovantajmash»

323 Shevchenko str,

Lviv 79069

Executive director

Maslak Oleksandr

Tel.: +38 (032) 291 28 41

Development and rigging of knots and aggregates is for autoloaders, diesel engines, bridges .

«Lvivagromashproekt»

205 Gorodocka str,

Lviv 79015

Sushko Ivan

Tel.: +38 (032) 238-43-56

Development of new and modernization of constructions of machines for defence of plants, bringing of liquid mineral fertilizers, preseed treatment of seed, agricultural machines, equipment, and built on.

Project-designer technological institute «Lisderevprom»

83 Zamarstinivska str,

Lviv 79058

Bokhonko Ihor

Tel.: +38 (032) 252 03 45

Property estimation

2.4 Chemical, Oil, Gas, Coal Industry, Geology

Ukrainian State Geology Institute

Lviv Branch

Services and work:

- on drilling and geological survey;
- geophysical prospecting;
- research in mining and inorganic chemistry, ecology;
- design and cost estimate in chemistry, earth moving in mining, building structures, architecture, gas, power, heat and water supply, hydraulic structures, water treatment works and other kinds of design work;
- investment projects, business plans, feasibility studies, detailed project reports, working drawings;
- equipment completing;
- inspection and certification of buildings and structures;
- development and fabrication of specific equipment;
- erection , starting up and adjustment operations;
- turn-key construction;
- analytical investigations;
- enterprises restructuring projects.

Oil refinery research Institute «LvivDipronaftokhim»

8, Zolota Str,
79000 Lviv
Kurpischuk Valerij
Tel.: +38 (032) 233 33 24
ldnx@mail.lviv.ua

Planning productions of oil-processing, petrochemical industry, development of technological lubricating-cool liquids. Reorganization of oil-processing industry is in the Western region of Ukraine.

«Colorex» research centre Ltd.

6/16, Karbysheva Str,
79034 Lviv
Sun-Chen-Li Leonid
Tel.: +38 (032) 270 31 41

Development and transmission in industry of sciences of developments in industry composition materials with the set properties, technologies of their making and methods of the use in industries of economy.

2.5. Energy and Electric Engineering

«Lvivteploelektroproekt» JSC

7, Sh.Rustaveli Str,
79005 Lviv
Andrusiv Roman
Tel.: +38 (032) 276-29-12
Boiler-house and Heat supply systems projects

West Ukrainian R&D Institute «Ukrzakhidsilenergoiproekt»

46, Sakharova Str,
79012 Lviv
Pidkivka Yaroslav
Tel.: +38 (032) 238 55 09
Electrical network projects

Ukrainian State Energy R&D Institute «Ukrenergomerezhpriekt»
